What Will You Need?

The weather is heating up this week so don't forget to apply sun cream! Bring a range of sporting garments in case the weather changes unexpectedly on the day. If it is going to be warmer (forecasts say 8 to 23 degrees) please ensure you dress for it & bring some dry clothes (for post run) but showers are also forecast! Remember your bottled water or isotonic drinks, snacks & gels for the run. We provide water stations for ALL in cups & you can refill your water bottles around the course. The feed stations are for those on half marathon, marathon & 60k ultra ONLY. Although this is a trail run the ground is currently very firm. There are a couple of very muddy areas due to the excess rain in recent weeks which we hope will dry up by Sunday and please remember that majority of this race is on hard ground – there is only a small part of the run on grass.

COURSE MAPS

There will be maps of the route available for you to review (they are currently on the website/ The Longhorn page). The course is fully signed & marshalled so it will be easy to follow. Maps included at the end of this document. Please note that on a trail run the GPS often reads long due to the trees on the course. We have measured these routes on multiple occasions & used official measuring techniques to ensure the course is at least the advertised distance. The GPS can vary according to trees & cloud cover on the day.

BAGGAGE DROP – SEPARATE TO REGISTRATION MARQUEE on the opposite side of the field

Our chosen charities – Lincs & Notts Air Ambulance & Nottingham Hospitals Charity are kindly assisting with the baggage drop this year. We are specifically raising funds for the 24/7 Appeal & The Children's Hospitals. We are politely asking for a minimum donation of £1.

Write your race number on the baggage labels on the tables in the centre of race village.

Bags will ONLY be returned to person with a matching race number. You must drop your baggage at the corresponding desk to your race number.

If you do not drop your bag at the correct desk your bag will be harder to find among the 1000+ participants so please drop it at the correct desk. We know it will get very busy at times so please be patient with the volunteer marshals.

Race Numbers – Race timing chip is attached on the back

- Please do not bend your race number as the race timing chip may not work
- Please do not tamper or try to remove the race timing chip
- Race Numbers must be worn on the front during the run.
- Numbers must be pinned at all four corners. Number belts/ bands are allowed but it is recommended that two be worn. One number band for the top of the number & one number band for the bottom to stop your number creasing up and becoming unreadable.
- Complete the medical info & emergency contact info on the back with MC on bottom left at front if you have a medical condition. Pens can be found on tables in the centre of Race Village.

NB. You don't need to bring safety pins; we will have plenty at registration.

On most occasions we will have full provisional results same day - [The Longhorn 2018 Provisional Results](#)

If you ENTER ON THE DAY you may be given a separate chip to wear on your ankle. Please return your chip back at the finish line especially if you have to retire early. You will incur a **charge of £10** if you fail to hand it in.

At the end of the race you can print out full details of your race statistics, including pace per km & mile, lap time, where you are placed in your age group & more! Some of these statistics will also be sent a text if you gave us your mobile telephone number on the booking form depending on GPS signal. Results are also emailed to you with a Finishers' Certificate after results are verified.

Race Briefings – A few mins before each race on start line

A very short race briefing will take place near to the start / finish line to direct you to the correct start point. If you are unsure about anything please attend. The Race Briefings will inform you of any last minute route changes and safety points. If you have any questions or queries on race day, please ask them at Race Registration.

Canicross will have a separate briefing (8.45am for 10k & half marathon CX in centre of race village) & (11.40am for 5k CX on opposite side of start /finish line on grass where hopefully I can talk sitting down calmly before the dogs get that pre-race excitement. With 95 dogs on this event today we have found that race briefings held a little ahead of the start time work better so that you can hear them! ☺ We hope this helps.

Race Start Times – please enter race funnel according to your pace ie fastest runners at the front Start will be near the FINISH GANTRY in race village

60k will start at 08:30

Canicross only (WITH DOGS) 10k & Half Marathon 9:00

Headphones / Ear Buds / Bone Conduction Headphones

Headphones & music will be allowed but please be aware that you MUST be able to hear marshal instructions & may have faster runners trying to overtake including Canicross runners with dogs. There are residents that live on Thoresby Estate & guests staying at Sherwood Hideaway so there may be the occasional vehicle crossing the course. Stay safe! You need to be able to hear vehicles approaching & also you'll miss hearing the wildlife & the natural beauty of this course.

SBR Events Official PACER Team

There will be the following pacers on the event (we cannot cover ALL pace times for everyone);

Longhorn : 10k

50 mins – Jake

55 mins – Gabi

60 mins - Natalie

70 mins - Diane

Longhorn : Half marathon

01:45 - Greg

02:00 - John

The course is a trail run & GPS usually reads long as the trees affect it – the pacer will aim to reach the distance shortly before the designated time so you may reach the distance before the finish line.

The goal is that Pacers run 'even splits', which means that every mile (or km) will be run at approximately the same pace. If the race has a slower start due to number of runners they will attempt to catch up gradually.

To meet up with the Pace Team look out for their bright yellow t-shirts. We cannot use flags on this course due to overhead trees. The pace time & race distance is on the back of the t-shirt. To find the Pace Team, they will be standing near the charity stands 15-20 minutes before race time for a chat & to answer any questions.

Please take care when choosing a pace time to follow. For the novice runner our advice would be... don't choose to go too fast, particularly at the beginning of the race - there will be other races for you to hit that PB & we want you to enjoy the event!

Please note we cannot guarantee that a Pacer will be available (due to sickness etc) as they cannot be replaced on the day.

Course Reconnaissance – refer to maps on website

The run course will be setting up from Friday morning. Please note that this race is on private land and cannot be accessed before the race on Sunday.

5KM – 2 lap course on a different route

From the start follow the road over Stonebridge. Before the trees turn left entering the woodland. Run past the church and where you meet the road a marshal will direct you to the left. Follow this road round a left bend and past the cottages and the lake, turning left into the woodland when directed by a marshal. Follow this path through the trees – BEWARE OF ANY TREE ROOTS ALONG THIS PATH – until you emerge into a field on the other side, with a beautiful view of Thoresby Hall. Follow the channel across the road past a water station & over the field, turn left towards the hall where a marshal will be based & make a left turn to run down a funnel which is parallel with the finish straight (end of lap 1). Then re-join the main circuit at the 'Y' junction. At this point complete a 2nd lap and then follow the signs onto the finish straight under the trees – breathe and collect your medal!

There is 1 water station on the 5k course which you pass twice near race village.

Please bring your own isotonic drinks, energy bars or gels. **Please ensure you don't drop any litter & take your rubbish home with you to preserve the environment & the wildlife on this course. We are very lucky to be able to run in such a beautiful environment.**

10KM – (1 lap)

From the start line, follow the tarmac road over Stonebridge and up into open countryside.

At 2k you will turn right into the forest and through an area containing farm machinery. Travel past the first cattlegrid, turning left onto grass down Wobbly Way (it's a touch uneven and soft underfoot – it can be muddy down here).

At 3k you will cross the road for The Sherwood Hideaway and the 1st feed/water/toilet station. Go through the gate and take the left fork. You are heading towards the southern point of the run. From here follow the signs through the SSSI area of the forest.

At 6k you will be in open countryside and have an opportunity to see the 'Estate House' on your left. You are also approaching the 2nd feed/water/toilet station.

After this station and a small meandering through more forestation you will emerge into open farmland and you'll see Britain's largest herd of Longhorn.

At 8k you cross over the Meden River with great views towards the lake on your right. Follow the track up to Spready Oaks. After the field and a small downhill track, you'll be approaching the lake section. Look for the 1000's of geese on the lake, mostly Canada and Brent. Through another area that is uneven underfoot next to the lake (this can be a little soft underfoot / muddy). The final stretch is past the cricket ground, in front of the hall, Cherry Tree Avenue, straight on to the finish line – and collect your medal.

Please bring your own isotonic drinks, energy bars or gels. **Please ensure you don't drop any litter & take your rubbish home with you to preserve the environment & the wildlife on this course. We are very lucky to be able to run in such a beautiful environment.**

60KM (6 laps)

You will mainly follow the 10k route.

From the start line, follow the road over Stonebridge. Before the trees turn left entering the woodland. Run past the church and where you meet the road a marshal will direct you to the right. Follow this to the end and follow signage to the left to re-join the main 10k route. (see full route above)

At the water/toilet stations there will also be a feed station for you to enjoy some nutrition to keep your energy up. These may include nuts, mars bars, bananas, dates & orange quarters, isotonic drinks, energy bars /gels, pork pie & Oreos, flapjack, crisps & sweets.

At the (final) stretch past the cricket ground, in front of the hall, at Race Village follow the signs to take the right turn towards your 2nd lap. This takes you past toilet / water & feed station No3. You can also access your bags & tents down here on the right hand side. Repeat the above 5 more times! Upon emerging from the lake section after your 6th lap go straight on towards Cherry Tree Avenue, finish line – and collect your medal!

Please ensure you don't drop any litter & take your rubbish home with you to preserve the environment & the wildlife on this course. We are very lucky to be able to run in such a beautiful environment.

There will be bins on course of course!

At 1.5 miles you will turn right into the forest and through an area containing farm machinery. Travel past the first cattlegrid, turning left onto grass down Wobbly Way (it's a touch uneven and soft underfoot – it can be muddy down here).

At 2 miles you will cross the road for The Sherwood Hideaway and the 1st feed/water/toilet station. Go through the gate and take the right fork (straight ahead). You will find the forest sectioned off guiding you to the most southern point of the course and where you will re-join with the 10k/60k.

PRIZES: These will be determined by chip time - not gun time.

Please be in attendance to collect your trophy.

We always ask people running with dogs to avoid using choke chains, slip collars or haltis as they restrict the breathing of the dog. A harness is best for the dog (check it isn't rubbing anywhere) but a well-fitting flat collar is fine for short distances.

Please do not feed your dog at least two hours before exercise and around an hour to an hour and a half afterwards, as there is a risk of the dog bloating (this is especially true of the bigger dogs and dogs with deep chests).

Heat stroke can be a problem but we hope to avoid that this time of year. We will have regular water stations around the course for the dogs with shared water bowls.

No one should pull or drag their dog. If your dog doesn't want to run, then please hand your dog to a member of your team and carry on, or you retire from the race!

Dogs are fine to run any distance as long as they do not show signs of distress, as long as both dog & owner have trained for the event!

There are trophies for Male & Female Canicross Winners in 5k, 10k & half marathon distances.

10k race & half marathon - There will be a separate Canicross briefing – please note the times as listed earlier

If you wish to withdraw from the event, then please refer to our Terms and Conditions as displayed on the website.

Race Volunteers – Please Help

No event like this can run smoothly without the help of many marshals.
